DIRECTOR'S REPORT

Review of Operations

During the year, the Association continued to engage in its principal activity of serving women with disabilities, the results of which are disclosed in the attached financial statements.

The total deficit for the year was \$64,883 (2019: deficit \$842,597).

Changes in State of Affairs

There was no significant change in the state of affairs of the Association during the financial year.

Subsequent Events

There has not been any matter or circumstance occurring subsequent to the end of the year that has significantly affected, or may significantly affect, the operations of the Association, the results of those operations, or the state of affairs of the Association in future financial years.

Future Developments

There are no likely developments in the operations of the Association which, in the opinion of the directors, would affect the operations of the Association or the results of those operations in subsequent financial years.

Environmental Regulation

The Association operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of any State or Territory.

Indemnification of Officers and Auditors

The Association has not, during or since the financial year, in respect of any person who is or has been an officer or auditor of the association or a related body corporate: indemnified against a liability, including costs and expenses in successfully defending legal proceedings; or paid or agreed to pay a premium in respect of a contract insuring against a liability for the costs or expenses to defend legal proceedings.

During the financial year, the Victorian Managed Insurance Authority has paid premiums to indemnify the board of management of the Association (as named above) and officers against third party legal proceedings arising out of their lawful conduct while acting in the capacity of director or officer of the Association.

Proceedings on Behalf of the Incorporated Association

No person has applied for leave of Court to bring proceedings on behalf of the Association or intervene in any proceedings to which the Association is a party for the purpose of taking responsibility on behalf of the Association for all or any part of those proceedings.

The Association was not a party to any such proceedings during the year.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOMEN WITH DISABILITIES VICTORIA INC

Report on the Audit of the Financial Report

We have audited the accompanying financial report of Women with Disabilities Victoria Inc (the "Entity"), which comprises the statement of financial position as at 30 June 2020, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and the responsible entities' declaration.

In our opinion the financial report of the Entity has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012* (ACNC Act), including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 June 2020 and of its financial performance and cash flows for the year [period] ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the responsible entities' financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibility of the Responsible Entities (Management and Board) for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and is appropriate to meet the needs of the members of the Board. The responsible entities' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WOMEN WITH DISABILITIES VICTORIA INC

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

The responsible entities are responsible for overseeing the registered entity's financial reporting process.

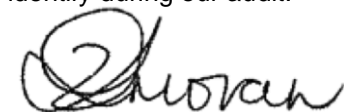

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the responsible entities.
- Conclude on the appropriateness of the responsible entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the responsible entities regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

DIRECTOR'S DECLARATION

As detailed in Note 2 to the financial statements, the Association is not a reporting entity because in the opinion of the directors there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this 'special purpose financial report' has been prepared to satisfy the directors' reporting requirements under the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*.

The directors declare that:

- (a) in the directors' opinion, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they become due and payable; and
- (b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012* including compliance with accounting standards and giving a true and fair view of the financial position and performance of the Association.

Signed in accordance with a resolution of the directors made pursuant to s 60.15 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020**

1 General information

Women with Disabilities Victoria Inc is a not for profit incorporated association, incorporated and operating in Australia.

Women with Disabilities Victoria Inc registered office and its principal place of business is as follows:

Level 9,
255 Bourke Street
Melbourne VIC 3000.

2 Significant accounting policies

Financial reporting framework

The Incorporated Association is not a reporting entity because in the opinion of the directors there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, these special purpose financial statements have been prepared to satisfy the directors' reporting requirements under the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*.

Statement of compliance

The financial report has been prepared in accordance with the *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*, the recognition and measurement requirements specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101 'Presentation of Financial Statements', AASB 107 'Cash Flow Statements', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors' and AASB1054 'Australian Additional Disclosures'.

Basis of preparation

The financial report has been prepared on the basis of historical cost. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise noted.

Critical accounting judgments and key sources of estimation uncertainty

In the application of the Association's accounting policies, which are described below, the directors are required to make judgements, estimates and assumptions about carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

WOMEN WITH DISABILITIES VICTORIA INC
ABN 56 160 558 848

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. These are described below in the Association's accounting policies.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

(a) Cash and cash equivalents

Cash comprises cash on hand and on demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(b) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities recognised in respect of employee benefits are measured at their nominal values at year end.

Defined contribution plans

Contributions to defined contribution superannuation plans are expensed when incurred.

• **Financial assets**

Loans and receivables

Trade receivables, loans, and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'.

Fair values of financial assets

The fair values of financial assets measured at fair value are determined as follows:

- the fair value of financial assets with standard terms and conditions and traded on active liquid markets are determined with reference to quoted market prices; and
- the fair value of other financial assets (excluding derivative instruments) are determined in accordance with generally accepted pricing models based on discounted cash flow analysis; and
- the fair value of derivative instruments are calculated using quoted prices. Where such prices are not available use is made of discounted cash flow analysis using the applicable yield curve for the duration of the instruments for non-optional derivatives, and option pricing models for optional derivatives.

WOMEN WITH DISABILITIES VICTORIA INC
ABN 56 160 558 848

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

- **Government grants**

Government grants are assistance by the government in the form of transfers of resources to the Association in return for past or future compliance with certain conditions relating to the operating activities of the entity. Government grants include government assistance where there are no conditions specifically relating to the operating activities of the incorporated association other than the requirement to operate in certain regions or industry sectors.

Government grants are not recognised until there is reasonable assurance that the Association will comply with the conditions attaching to them and the grants are received.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the Association with no future related costs are recognised as income of the period in which it becomes receivable.

- **Income tax**

No provision for income tax has been raised as the Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

- **Plant and equipment**

Plant and equipment is stated at cost less accumulated depreciation and impairment. Cost includes expenditure that is directly attributable to the acquisition of the item. In the event that settlement of all or part of the purchase consideration is deferred, cost is determined by discounting the amounts payable in the future to their present value as at the date of acquisition.

Depreciation is provided on plant and equipment and is calculated on a straight-line basis so as to write off the net cost or other revalued amount of each asset over its expected useful life to its estimated residual value. The estimated useful lives, residual values and depreciation method are reviewed at the end of each annual reporting period, with the effect of any changes recognised on a prospective basis.

The following useful lives are used in the calculation of depreciation:

Plant and equipment 2 - 5 years

- **Provisions**

Provisions are recognised when the incorporated association has a present obligation (legal or constructive) as a result of a past event, it is probable that the incorporated association will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

WOMEN WITH DISABILITIES VICTORIA INC
ABN 56 160 558 848

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2020

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

- **Revenue**

Revenue is measured at the fair value of the consideration received or receivable.

Interest revenue

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount.

Other revenue

Revenue is recognised when the right to receive the revenue has been established.

- **Goods and services tax**

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables. Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

- **Comparative amounts**

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation in the current financial year.

- **Adoption of new and revised Accounting Standards**

Women with Disabilities Victoria Inc has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to their operations and effective for an accounting period that begins on or after 1 July 2019.
