Office Hours: 9:00am – 5:00pm, Monday – Thursday

Location

We are located on the south (Collins Street) side of Bourke Street, to the east of Swanston Street, and west of Russell Street.

If walking along Bourke Street toward Russell Street, we are on the right-hand side. Our building is between a small mobile phone accessory shop (Dr Boom Communications) and a telecommunications/phone shop (Optus).

There are two steps and a wheelchair accessible ramp (on the left side of the stairs) which lead to the building entrance. Tactile Ground Surface Indicators

(TGSIs) are located at the top of each. When coming up the steps, automatic doors to the building are directly in front of you.

Lifts are located, approximately 8 metres directly in front of the automatic doors.

Lift buttons are tactile and have braille and will light up when pressed.

We are on Level 1.

On Level 1, the entrance to WDV's office is 1–2 metres directly opposite the lifts.

The doorbell is placed against a glass wall, approximately 1 metre in from the wall on the left, and 1.2 metres high.

Please press the doorbell to be let in.
